Hi, I'm Omar. I'm a prep-school student. I'm twelve years old. I live with my mum and dad in a small flat in Minya. At the weekend, I'm usually quite lazy. I usually spend a nice time with my family. My parents and I go and visit my grandparents at their house. Their house is bigger than our flat. On Saturday morning, I often stay in bed and then I have a late breakfast with grandmother - she's a fantastic cook!

3.My future job

I would like to be a scientist in the future. I like this job because a scientist works hard to make people's life easier. This job will make me able to do something new and helpful to the world. Without science life could be hard.

4.A school trip to a museum

I went on a school trip to the Egyptian Museum last week. There were many statues and ancient monuments. It was fun. I recommend it because we can learn about ancient Egyptian history. I saw many tourists there.

5.Jobs in the house

In my house, I help my mother with the kitchen work. Sometimes, I put away things. I often help my dad with the garden plants. I help my brother with his maths homework. I usually help my sister with her science lessons.

6.Air pollution

Factories and cars cause air pollution. Air in many cities is polluted by traffic and factories wastes. So, we must plant lots of trees in all our cities. This will help clean the air around us. We should use green means of transport such as bikes.

It was a fantastic day and all of us felt happy.

Dear Nadi(a),

How are you? I want to tell you about my mother. My mother is a person I am very proud of. When she was younger, she used to study very hard. She wanted to be a doctor. She used to work to help pay for her studies. In 2020, there was a health emergency. Many people were in hospital. I became ill, too. I was in hospital for two weeks. She helped me and other people in the hospital. She was always very kind. She is one of the most important doctors in Cairo. I am very proud of her!

It is coloured beautifully. I put fresh flowers in this vase every morning. At present, this vase is kept on my desk. It makes my desk more wonderful. It is the best present I got from Samy. I like it very much. I feel happy when I look at it. Write soon.
