

Three In A Row Review Questions

MATERIALS

- Three In A Row Review Questions
- Masking Tape
- Small paper plates in two different colors

INSTRUCTIONS

Print one Three In A Row Review Questions for your use. Using masking tape put a 9-block grid similar to Tic-Tac-Toe, or X's and O's, on the floor large enough for a paper plate to fit inside each square.

Divide the class into two teams. Give each team different colored paper plates. Ask each team a question. If team one answers correctly, a player can place a plate on the Three In A Row Grid. If the team cannot answer correctly, allow the second team to answer. If no one gets the answer, give the correct answer and repeat the question later. Repeat the process above until a team gets three in a row. Continue play as time allows mixing up and repeating the questions. Encourage the students to look at their class notes, the Lesson Theme Poster, and other posters that may help them during the game.
