

# List of Grand Slam men's doubles champions

List of Men's Doubles Grand Slam tournaments champions in tennis:

In men's doubles, Bob Bryan, Mike Bryan (see also The Bryan brothers), Daniel Nestor, Todd Woodbridge and Mark Woodforde (see also The Woodies) are the only players to win a career golden slam. Ken McGregor and Frank Sedgman, in 1951, are the only doubles team to win the calendar-year Grand Slam, and their 7 consecutive wins in Grand Slam events is still the all-time record.

The color of the Magen David and the stripes of the Israeli flag

is not precisely specified by the above legislation. The color depicted in the current version of the image is typical of flags used in Israel today, although individual flags can and do vary. The flag legislation officially specifies dimensions of 220 cm × 160 cm. However, the sizes of actual flags vary (although the aspect ratio is usually retained).
