2273	4284	The Tsunami	The damage to the Shell provokes a giant tsunami that engulfs the Fezebel battlefield in the middle of the war. Both armies suffer enormous losses, ending the war with a draw. The tsunami was sensed by Gaius, but his attempt to convince the Long Dau leaders to retreat the troops to safety was ignored due to the interference of a young Long Dau man who was engaged to his sister. The man survived the tsunami but disappeared shortly after. It is rumored that he was murdered by Gaius. While the tsunami brought the Zirnitra to Rieze Maxia, Carrie was caught in the wave and turned up in Elympios with no memory.		World Guidance p.17	Rowen 42, Jiao 22, Gaius 12, Wingul 8, Alvin 6, Presa 2	Rieze Maxia
2273	4284	Birth of Musee	Maxwell creates Musee from a part of the Shell when it was breached and sends her to wipe out the Elympion forces preparing to invade Rieze Maxia while he is closing the hole. Musee's mission is to kill anyone who knows about the Shell's existence as a means of protecting it.		Perfect Guide p.499	Rowen 42, Jiao 22, Gaius 12, Wingul 8, Alvin 6, Presa 2	Birthdate
2273	4284	Birth of Milla	Maxwell creates Milla as his substitute to attract his enemies' attention. She will prove essential in luring Exodus out.		Perfect Guide p.499	Rowen 42, Jiao 22, Gaius 12, Wingul 8, Alvin 6, Presa 2	Birthdate

2277	4288	The Taurus-Long Dau War	Wingul's uncles throw all the tribe's resources and manpower into the war against Gaius in an attempt to avenge Lars's death. However, none of their attempts prove successful and they die one after the other (Yan and Ingo are killed in battle, Bruno falls into a ravine with his horse when retreating). During that time, half of the tribe's army and nobles defect to Gaius's side and Wingul's mother commits suicide. Wingul eventually has to participate in the battle as well. His brilliant tactics, which earns him the title, "The Little General", help him corner Gaius time and time again. But Gaius always manages to keep the upper hand.
