## Group's Weekend VBS— so easy you'll race right through it!

### One Easy-to-Learn Bible Truth

At Group's Weekend VBS, kids venture deep into Scripture for Bible-learning that sticks long after your VBS ends. Every song, game, hands-on experience, and Bible adventure points kids toward one important truth from the Bible—that **God gives good gifts!**

### Streamlined Format

With just two 2½-hour sessions and an optional 20-minute Sunday Celebration, Yee-Haw VBS is...

- **Easy for Volunteers**—hardly any prep!
- **Easy for Families**—less time commitment for busy families than a traditional 5-day format.
- **Easy on Your Budget**—fewer supplies=lower costs!

### Small, Multi-Age Crews

Kids of all ages join Crews—small groups of up to five kids and an adult or teenage leader—for each day's adventures. Having small, multi-age Crews means kids easily make friends, discipline problems practically disappear, and leaders can focus on guiding kids through fun activities and life-changing Bible learning!

## Hands-on ways for kids to share God's love!

Group's Weekend VBS takes life application to new frontiers with Projects-With-a-Purpose. Kids make special gifts for others and share the Bible Point in tangible, practical ways.

You decide which of these three options work best for your church!

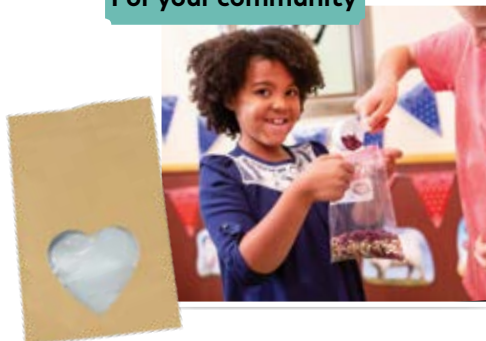

### For your church

### Block-a-Roos

Kids make multisensory blocks to give as a gift to your nursery classes. These stackable, sound-making **Block-a-Roos** will bless the babies and toddlers in your church—and keep them busy! What a practical way for kids to share the gift of God's love with the littlest members of your church family! No supplies from Group are needed for this project.

### For your community

### Heart-y Soup Mix

Kids work together to make bags of instant soup mix to give as gifts to needy moms in your community using **Heart-y Soup Mix Bags!** You can donate the bags of soup mix to a crisis pregnancy center or local women's shelter. As a result, kids will strengthen your community with the gift of God's love!

These fun 72-in. charts are also a great way to introduce (and keep kids talking about) Operation Kid-to-Kid™, an outreach project that raises money to help moms and babies in Zambia. As kids add an envelope to the chart to collect money for moms and children in Zambia, they'll be sharing God's great gift of love in a practical, life-giving way! You'll need one Giddyup & Grow Chart set per kid.
