

Test based on unit 5

A. Language functions (5 Marks)

1. Finish the following dialogue (5M):

Salma and Omar are talking about Taha Hussain.

Salma: Hello Omar! What are you reading?

Omar:

Salma:?

Omar: He was one of the most famous Egyptian writers in the 20th century.

Salma:?

Omar: He lost his sight when he was three but this did not hold him back.

Salma: Lost his sight! So, is he disabled?

Omar:

Salma: Wrote over fifty books ! That's very interesting.

Omar:

B. Reading comprehension (10 marks)

2. Read and complete the text with words from the following list (4M):

(has – award – have – nurses – help)

I got some good news. I have won an from the children's hospital. I go there every week with my family to the children and read them stories. The at the hospital decided to give us an award for our work.

3. Read the following text, then answer the questions (6M):

Many famous people were amazing when they were children. Mozart was able to play music when he was three and could write music when he was five. Judit Polgar is a great chess player. She was able to win chess games against some adults when she was twelve years old and she won chess competitions when she was fifteen. Karl Benz went to university to study to be an engineer and he later when he was fifteen, he invented the car. And the great scientist Marie Curie taught herself to read Russian and French when she was four. She could also help her older brothers and sisters with their maths homework! However, some people who do amazing things when they are children become ordinary adults: not all of them are able to become famous.
